

# 2021 Design Awards – Call for Entries

## AIA Mid-Missouri

### Purpose

To honor Mid-Missouri Architects, Mid-Missouri area projects and their clients who have distinguished themselves by their accomplishments. The bi-annual program serves to encourage excellence in our built environment and to emphasize the important contribution of Architecture in our communities.

### Eligibility

Entries for **Built Projects** must be an architecture project where construction is completed after January 1, 2019 and prior to December 31, 2021 (projected). The Architect of record must practice in the 21-county AIA Mid-Missouri area, OR the project must be located within the Mid-Missouri area (see attached map).

Entries for **Unbuilt Projects** must have been designed after January 1, 2019, by an architect/designer in the AIA Mid-Missouri area OR the project must have been intended for a location within the AIA Mid-Missouri area. Unbuilt projects are those that have been proposed but are NOT expected to be built. Do not submit a project that has simply not completed construction.

Entrants in the **Architectural Drawings** competition must either live, work, or attend school within the AIA Mid-Missouri area.

Individuals or firms may submit more than one project but each project must have a separate submission. AIA Mid-Missouri reserves the right to review each submission for compliance with submission rules. Non-compliance may result in rejection of the entry without refund of the entry fee. Projects previously honored in the AIA Mid-Missouri Design Awards program are not eligible.

All entries will be considered and judged on individual merit.
