Professional Affiliate Membership

PROFESSIONAL AFFILIATE MEMBERSHIP

Professional Affiliate Membership aims to promote communication among all who participate in the design and construction of the built environment. Professional Affiliate Membership includes individuals for whom membership in the American Institute of Architects is not otherwise available. Those who do not hold a degree in architecture but share a common interest as a professional colleague or enthusiast are welcome to join AIA Mid-Missouri as a member with specific privileges and opportunities. Professional Affiliate Membership is designed to build and strengthen alliances and promote understanding among all members of the design/construction team.

As a Professional Affiliate Member you share many of AIA Mid-Missouri's Chapter benefits. Affiliates may attend Chapter meetings, member-only events and serve on the Chapter's various committees. You will have access to our members, be featured on our web site with a logo and listing in the Professional Affiliate Membership Directory, and your company's news and events may published in our AIA Mid-Missouri Newsletter.
